The Certified Public Manager® Program is accredited by the National CPM Consortium and is designed to improve the quality and efficiency of government agencies by developing the effectiveness and professionalism of its managers. The program is designed to develop the following competencies:

- Personal and Organizational Integrity
- Managing Work
- Leading People
- Developing Self
- Integration
- Public Service Focus
- Change Leadership

The Certified Public Manager Program has five sequential levels of instruction in management theory and practice offered over a period of nine months.
